Webster Registry

Provider portal orientation

Version date 23 November 2026. Synthetic demonstration materials.

Your record

Home shows what is waiting on you and the NLPR expiry.
The same form is used on a desk, a tablet and a phone.

A returned file

Read the respond-by date.
Replace the document marked Not accepted. The older version stays in the list.
Resubmit once.

Messages and training

Inbox holds automated notices and messages you opted in to receive.
Guides, the slide deck, and the short video are the training for this build.
